To whom it may concern

The Embassy of the State of Israel in Poland supports the International Exchange Programme of Polish, Israeli and German Youth - "Remember the Future!".

The Embassy of the State of Israel and the Ministry of Foreign Affairs of the State of Israel attach a great importance to projects that bring together Israeli and Polish youth, and in this particular exchange, also youth from Germany. We strongly support dialogue among youth of different origins and we believe it will bring a better common understanding and cooperation among the nations.

Therefore we encourage all individuals and organizations to help in this youth exchange to make it a valuable and successful event.

Respectfully Yours,

Ya'akov Finkelstein

Cultural Attaché
